CRICOS Provider Code: 03465J

### Course Overview

---

This qualification provides a trade outcome in wall and floor tiling for residential and commercial construction work.

The qualification has core units of competency requirements that cover common skills for the construction industry, as well as a specialist field of work. The training and assessment leading to recognition of skills for the purpose of this courses are undertaken in a real/actual or a very closely simulated workplace environment. The course is highly recognised by the building and construction industry as the trade level program for wall and floor tiling work.

### Entry Requirements

---

This course has the following entry requirements:  
International students must:

- Be at least 18 years of age.
- Have an IELTS score of 5.5 or equivalent (test results must be no more than 2 years old) with 5.0 in each band
- Have completed a Year 12 or equivalent high school certificate

Candidates will also be required to complete a pre-enrolment Candidate Self-Assessment as part of the application and participate in a course entry interview to determine suitability for the course.

### Course Duration

---

#### **Two (2) years full time**

*Total Duration:* 104 Weeks (including holidays)  
*Contact Weeks:* 80 Weeks

This course will be delivered over a period of 104 weeks (including holidays). Classes will be scheduled for 80 weeks over 8 academic terms of 10 weeks each. There will be a 2-week break between the terms and a 6-week holiday end of the year.

Class sessions are planned to ensure that students have a mixture of practical and theoretical components, and those classes cater for a wide variety of learning styles. Additionally, workplace practices and environments are simulated and used to conduct skills-based assessments in accordance with unit requirements. Classes will be scheduled for 20 hours per week.
